

Sherry's Signature Cheesecakes features over 70 flavors of Award Winning Homemade on-site gourmet Cheesecake, Granola Bars, Scones & other treats. Our Signature Cheesecakes are rich and creamy with a variety of flavors from Plain Jane New York style to Maple Brown Sugar BACON and almost everything in between. We use only the finest ingredients and all of our flavors are "baked" in, not topped off, so you get the flavor in every bite you take. We always have a variety of cheesecakes available, but if you want a special flavor, let us know a couple of days in advance just in case we don't have it in stock.

Sherry's Signature Cheesecakes has been in business since 2008 and is located on Main Street in the heart of downtown Clayton. The historical residential home built in the late 1800's was turned into commercial property in 2004. It is on 0.25 acres with over 4000 sq. ft. and is furnished with an eclectic mix of old and new pieces that have been re-furnished, re-finished and re-upholstered.

We offer space available for large and small group meetings, conferences, parties, receptions, classes and more. Please call for availability for your next meeting or event!

You can dine-in or take-out either slices of cheesecake, a half cheesecake or a whole cheesecake, granola bars, or scones. Dining is available in one of our 3 dining rooms or outside on the side porch. Each dining room will accommodate 8 or more guests.
